Becoming a Lawyer is one of the best ways to help those who have suffered injustice and also offers an opportunity to build and reshape the Socio-Political fabric of the Society. Lawyers are also leaders who introduce Legal thinking into other sections of the Society.*

*Choosing a Law Course you are choosing a Profession and a field of steady related in the open Society but not a particular Institute, as such you are choosing a world of opportunities to help the people who are in need of Legal Assistance. A study shows that only 4% of 800 law students have joined Bar in Karnataka but young Law graduates were in various Professions including Social activism, Corporate Law, Civil Services, in house Legal Council, besides becoming entrepreneurs, authors and media persons.*

*Pandit Jawaharlal Nehru the First Prime Minister of Independent India has said “Success comes to those who Dare and Act seldom to the timids”.*
