## POLICY DOCUMENT FOR DISABLED FRIENDLY, BARRIER FREE ENVIRONMENT

The Government of India formulated the National Policy for persons with disabilities in February 2006 which deals with educational rehabilitation of persons with disabilities. In view of this Saraswathi Law College has implemented these policies in the Institution so as to create an environment that provides equal opportunities, protection of disabled persons' rights and full participation in the academic environment.

### The policy focuses on the following:

1. Ramps or lifts are to be provided to facilitate the disabled persons to access to the class rooms.
2. Separate washroom facilities to ensure the accessibility, gender sensitive, safe usable for disabled persons.
3. The use of signage of male and female symbols, in accordance with local customs and standards, with raised outlines and bright colour contrast will be more evident to everyone and particularly helpful for persons with visual impairments.
4. Students with disabilities need to be adequately and appropriately supported in and out of the classroom with the right resources and with assistive leadership by the college communities that are responsive to their needs.
5. Provision for enquiry and assistance: human assistance, reader, scribes and others.
